

ARDEX

THE RIGHT PARTNER

NEVER LETS YOU DOWN

There's a lot riding on the success of every floor installation job you face. A single call back can take its toll on your time, your budget and even your reputation. Why risk it when there's a partner you can always count on?

ArDEX and W.W. Henry, two of the most trusted names in flooring installation products, have teamed to bring you SystemOne™, the most comprehensive flooring installation and technical support system available. A system of high quality, highly compatible products matched to

unparalleled technical service, support, and simply the best guarantee in the business. The SystemOne™ team is with you every step of the way to ensure fewer callbacks and more profitability for you. The bottom line? You come out a winner. We don't let you down.
