

ROOF GARDEN

Stained Glass Stone

Overview

Carlisle's Stained Glass Stone is a beautiful addition to any roof garden or plaza. With 12 colors to choose from, the possibilities are endless for designing anything from faux water features to company logos. With 100% post-consumer recycled content, Stained Glass Stone is an environmentally intelligent choice to turn your roof garden or plaza into a dazzling oasis.

Features and Benefits

- 100% post-consumer recycled material
- 12 color options give incredible aesthetic effects
- Available in 50-pound increments with a minimum order of 500 pounds
- Large particle-size and high density prevents scouring
- Included in Carlisle's single-source warranty
- Eligible for LEED® Credits

Installation

Carlisle's Stained Glass Stone is delivered in SuperSacks containing up to 3,000 pounds of material. Material is hoisted to the rooftop and deposited over a 1" + thick drainage composite, such as Carlisle's MiraDRAIN® G4. Carlisle's Stained Glass Stone is applied at a minimum of 10 pounds per square foot.

Typical Properties

Property	Value
Density	85 lbs/cubic feet

Limited Warranty

Carlisle Coatings & Waterproofing Incorporated (Carlisle) warrants this product to be free of defects in workmanship and materials only at the time of shipment from our factory. If any Carlisle materials prove to contain manufacturing defects that substantially affect their performance, Carlisle will, at its option, replace the materials or refund its purchase price. This limited warranty is the only warranty extended by Carlisle with respect to its materials. There are no other warranties, including the implied warranties of merchantability and fitness for a particular purpose. Carlisle specifically disclaims liability for any incidental, consequential, or other damages, including but not limited to, loss of profits or damages to a structure or its contents, arising under any theory of law whatsoever. The dollar value of Carlisle's liability and buyer's remedy under this limited warranty shall not exceed the purchase price of the Carlisle material in question.
