# The Traditional Look of Alternating Wide and Narrow Cedar Boards

Board & Batten vertical siding recreates the historic charm and rustic cedar look favored by early settlers to protect and beautify homes and outbuildings. Alternating wide and narrow vertical panels combine in a simple, yet beautiful, design well suited to distinctive architectural styles. Board & Batten works well to accentuate gables, add texture to your exterior home design or as a whole-house application. Available in four profiles.
