Carriage House®

Luxury Roofing Shingles

From the sweep of a Victorian frame to the symmetry of a Colonial gable, the preservation of timeless architecture accented by steeply pitched roofs is a hallmark of the Carriage House® luxury shingle. Carriage House has been designed to evoke the unique hand-crafted look that is at home with our heritage. With cut-away corners and wide, dark shadow lines, Carriage House creates a one-of-a-kind look of scalloped-edge natural slate. And the level of protection provided by Carriage House's super heavyweight construction makes for a perfect pitch.
