

Mini-Bead™ 800 (MB80) and 900 (MB90)

Metal Corner Bead

Mini-Bead™ 800 and 900 are fine-mesh corner beads used to provide corner reinforcement for one-coat and two-coat veneer plaster systems. 1-1/4" wide fine-mesh flanges are tapered along the outer edges to enhance veneer plaster concealment. Mini-Bead™ 800 has 1/16" grounds for one-coat veneer plaster and 90 keys per linear foot for excellent bonding and strong corners. Mini-Bead™ 900 has 3/32" grounds for two-coat veneer plaster systems. Flange attachments can be accomplished by either nailing or stapling.
