Product Certification
MasterProtect® H 400 water repellent

To Whom It May Concern:

This is to certify that MasterProtect H 400 water repellent (formerly, Enviroseal 40), as supplied by Master Builders Solutions Construction Systems US, LLC ("Master Builders Solutions"), fully meets the performance requirements listed in our current Technical Data Guide, Master Builders Solutions Form Number 1019666.

Please note that as part of the Master Builders Solutions® brand launch, MasterProtect H 400 became the new product name for what was formerly Enviroseal 40. The name change became effective in 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned Technical Data Guide.
