To Whom It May Concern:

This letter is intended to outline the possible contribution of MFM Building Products Corporation family of **Peel & Seal**® products being used as roofing, underlayment, and/or flashing materials to the LEED Green Building Rating System™. The information is in accordance with LEED-2009 for New Construction and Major Renovations of existing buildings.

**MR Credit 2.1: Construction Waste Management, Divert 50% from Disposal**

**MR Credit 2.2: Construction Waste Management, Divert 75% from Disposal**

In areas where facilities exist, the family of **Peel & Seal**® products manufactured by MFM Building Products Corporation, the packaging materials are recyclable and can contribute to earning Materials and Resources Credit 2.1 or Credit 2.2.

<u>Item</u>	<u>Description</u>	<u>Maximum Weight</u>
Wooden Pallet	wood	45 lbs
Core	cardboard	2.0 lbs / core
Carton	cardboard	3.5 lbs / carton
Release Liner	paper	0.018 lbs / per square foot

*\* Peel & Seal® is available in various lengths, widths and colors.*

**MR Credit 5.1: Regional Materials**

**MR Credit 5.2: Regional Materials**

MFM Building Products Corporation family of **Peel & Seal**® products are manufactured in Coshocton, Ohio (43812) in North America. If this location falls within a 500-mile radius of the project site, then these materials, or a portion of the materials, can contribute to earning Materials and Resources Credit 5.1 and Credit 5.2.

**EQ Credit 4.2: Low Emitting Materials, Paints & Coatings**

EQ Credit 4.2 pertains to products that are to be used in the interior of a building. MFM Building Products Corporation, the **Peel & Seal**® family of products materials are applied onto the exterior of a structure and therefore would not contribute to this credit.

If additional information or clarification is required, please contact me or your local MFM Sales Representative.

Sincerely,

*Whit Croft*
