DESCRIPTION

PRICED AS EACH, MUST ORDER FULL BOX QTY ONLY (25 Left & 25 Right Sets per Box)

DuPont® Weathermate™ Sill Pan is a translucent molded polymer that is manufactured to ensure consistent thickness. It will not rust or rot and is compatible with standard adhesives and sealants. It provides seamless protection at sill corners and assists positive drainage of water to the exterior. The two-piece design adjusts to fit most windowsill widths.

****PRODUCT DOES NOT HAVE THE BACK DAM FEATURE FROM PREVIOUS MODELS****
